The DIS Music Concert began in 2001 as a musical outlet for students, parents and staff members to showcase their talents. Mrs. de Villiers even chimed in and did a musical duet with a friend. Many people were so willing to give generously of their time and talent. The concert continued to grow, eventually moving to the DIS campus and now this Performance Hall on the UTD campus.

Thank you to all those who helped this event become a DIS annual event. May the DIS Music Concert remain a school tradition for many years to come.
