#### **DIS Scores Medals and Top Placements During TAPPS Championship Swim**

Recently, the DIS swim team delivered one of its most memorable performances in program history at the 2026 TAPPS Division III State Championship. In a championship atmosphere, the swimmers were able to nab multiple wins and top placements in several events.

Some of the top team accomplishments from the meet include the girls team finishing 2nd overall in the state of Texas, the girls 400 Freestyle Relay team becoming state champions, and the girls 200 Medley Relay team capturing 3rd place in the state of Texas.

Some individual accomplishments achieved during the event include Katherine Smith becoming a state champion in the 500 Freestyle (also taking 2nd in the 100 Backstroke and winning North

Region Swimmer of the Meet), Marley Taylor becoming a state champion in the 50 Freestyle (also becoming a finalist in the 100 Breaststroke), Lenka Reniers becoming a finalist in the 100 Freestyle, and Sofia Dobysh becoming a finalist in Distance Freestyle. This championship performance marks another major milestone for DIS athletics. Bravo !
