ORDER EARLY

Most uniform orders are completed within approximately two weeks. Please allow additional time for production, shipping, exchanges, or any unforeseen delays.

HIGH SCHOOL SOCCER FAMILIES – PLEASE ORDER IMMEDIATELY!!!

High School Soccer players should place their uniform order as soon as they complete their athletic registration.

Our first varsity soccer match is scheduled for the second day of school, leaving very little time for uniform production and delivery. Ordering immediately is the best way to ensure your student-athlete receives their required uniform before the opening match.

Student-athletes who do not have their required game uniform may not be eligible to participate until their uniform has arrived.

High School Volleyball, Middle School Athletics, and other fall sports should also place their orders as early as possible to help ensure uniforms arrive before the first contest.

We appreciate your continued support of Dallas International School Athletics and look forward to another outstanding year of competition, sportsmanship, and school spirit.
