

Dallas International School

→ Back to School 2024!

We have enjoyed reconnecting with our students after a long summer holiday! The first few weeks of school have been full of learning and fun, and we have hosted Meet the Teacher events and Back to School nights, as well as PTO socials. We are gearing up for a wonderful fall! Thank you to all our students, staff, and families to a terrific start to the year!

Celebrating the Class of 2024!

We are thrilled to share our recent French Baccalaureate results. DIS students achieved a perfect 100% pass rate, with an impressive 94% earning honors. This remarkable accomplishment is a testament to the dedication and hard work of our students, as well as the unwavering support from their families and our entire school community. This places Dallas International School among the top international schools both in the country and worldwide, showcasing our commitment to academic excellence on a global scale.

Our IB Diploma Students also had tremendous success! DIS is one of the few schools worldwide to offer the Advanced Bilingual Diploma program, a prestigious and demanding version of the IB Diploma. Last year we saw a graduate reach this challenging milestone, showcasing academic excellence and highlighting our unique position internationally in offering this distinguished program.

Advanced Bilingual Diploma:

To earn this special distinction, students must:

- Study two languages from Group 1 (Language A subjects) and achieve a score of 4 or higher in both.
- Take one course in Humanities in a foreign language.

Dallas International School

→ Give to DIS for NTGD

NTGD giving has already begun! This year DIS is fundraising to:

- improve the CM2/5th grade and middle school playground and recess areas at Waterway.
- garner additional library seating at Churchill
- support our Annual Fund.

DIS Swim Team goes to Paris Paralympic Games!

Earlier this month, members of the DIS Swim Team took a special trip to Paris for the 2024 Paralympic Games. During the trip, students gained a deep understanding of adapted sports and the history of the Paralympics, analyzed athlete performance through the lenses of biomechanics, physiology, and psychology, and explored the significance of the Games within contemporary history and international relations. They also had the opportunity to discover the intricacies of hosting a major international event and enhance their French language skills through practical experiences and authentic interactions.

Students immersed themselves in French culture through site visits, interactions with local residents, and culinary experiences. Observing the inspiring performances of Paralympic athletes encouraged them to build resilience and determination, while understanding the challenges faced by these athletes helped cultivate empathy. This unique educational experience profoundly impacted our students, enriched their academic journey and embodied the values we hold dear at Dallas International School.

❤️ Core Values at Work!

DIS Core Values of **empathy, resilience, respect, responsibility, and integrity**, were in full force during this Paris trip, which provided our student athletes a profound experience in sport, culture, and language.
