

## Primary School Heads-Up - 2/27/26

Dear Primary School Community,

Today, our Churchill Campus came together for two special assemblies in honor of Black History Month. MS and GS students performed for our elementary students, sharing songs centered on hope and unity. Their voices and heartfelt performances beautifully reflected the spirit of the month — celebrating resilience and the power of coming together.

Music has a unique ability to connect people across ages and backgrounds, and these assemblies were a wonderful reminder that through song, we can inspire understanding and community. We would like to send our gratitude to Ms. Dionne Gilmore who organized everything and led these assemblies.

### Celebrating 100 Days of School

This week, we celebrated 100 days of school this academic year with many fun activities taking place across campus. Among these activities, students from TPS to CM1 were invited to take part in a meaningful memory display celebrating their first 100 days of school. They had the opportunity to share a special memory or something they particularly enjoyed during these first 100 days. From favorite classroom activities and new friendships to exciting projects and proud achievements, the display beautifully highlights the many joyful moments experienced by our students since the beginning of the school year. This display is now being showcased in the downstairs cafeteria windows where you can enjoy the students' reflections.

Thursday was an especially fun day for our GS and CP students who celebrated becoming 100 days smarter together. Students were invited to dress up as if they were 100 years old and were placed into mixed GS/CP groups. The groups rotated through a variety of "100"-inspired workshops, and students had an amazing time exploring the number 100 in many creative ways!

## Carpool

I would like to remind our community that the speed limit is **5mph** on campus. Please keep a slow speed when going through the parking lot. For the safety of our students and staff, please carefully read the carpool instructions below. Also, out of courtesy to our families and staff who use the sidewalks—and for everyone's safety—please avoid parking over the sidewalks when backing into parking spaces. Thank you for your cooperation.
